

1. Shut off power before installation.
2. Fix the mounting strap to ceiling.
3. Feed the main wire through the chain connectors and canopy. Connect chain to the connectors and screw the bottom chain connector onto the light fixture.
4. Connect the main wires with wire connectors to the corresponding wires in ceiling.
5. Attach the canopy to the mounting strap and screw in the top chain connector tightly, fixing the lock nut.
6. Install sleeves and light bulbs (not included with the light fixture).
7. Turn on the power and test.
