

1. Shut off power before installation.
2. Fix the mounting strap to ceiling.
3. Insert the wires through the central rod of the metal frame.
4. Insert the lampholder into the glass shade and fix the lampholder to the central rod.
5. Align the glass shade with the bottom groove of metal frame and lock it in place.
6. Connect the chain to the metal frame. Then feed the wires through the top chain connectors and the canopy.
7. Connect the wires with wire connectors to the corresponding wires in ceiling.
8. Hang the canopy onto the mounting strap and tighten the screws.
9. Install the light bulb (not included with the light fixture) and turn on the power.
